Total series: Key, Preliminary, First, Advanced

Black Cat's **Total** series is made up of four distinct courses to prepare students for Cambridge exams. They are written by experienced Cambridge writers, who have used their extensive knowledge of the exams to write stimulating courses.

Each course takes into careful consideration the age, language level and interests of the students, whilst covering the grammar, vocabulary and skills required for the relevant exam. They offer practice in both the paper and computer-based versions of the exams.

Each course has a different focus giving students guided practice in the parts of each exam which they typically find more challenging.

Series features:

- **Well-organised units** each including the following sections: Warmer, Vocabulary, Grammar, Reading, Listening, Speaking and Writing
- **Teacher-friendly exercises** allowing effective classroom management
- Extensive practice of **exam-style tasks**
- **Audio CD-ROM** with 2 complete computer-based Practice Tests
- Accompanying **Maximiser** with additional practice of the more challenging aspects of the exam
- Written to the **most recent exam specifications**

Language – Art –
Society – Literature

Ann Farley, Betty Walters

Viewpoints takes us on a tour through the culture of the English-speaking world, inspired by the words of some of the most important writers.

The volume is divided into ten units, based on texts by **Shelley, Dickens, Wilde, Joyce, Carroll, Poe, Twain, Hawthorne, Fitzgerald, Salinger**, in order to deal with the key aspects of English-speaking countries and cultures.

- **Language&Education:** how the English language has changed, how it has spread in the world and the British and American education systems
- **Media&Society:** work, young people and the media, in the English-speaking world
- **Environment:** the most important ecological issues, pollution and ecological politics

- **Science&Technology:** science, research and the history of industry and technology
- **Art:** traditional painting and avant-garde art, architecture, photography, films and music

And much more:

- **Travel** (tourist attractions, landscapes, national parks),
- **Food** (traditional food and eating habits, food and festivities),
- **Homes** (typical homes, the life in the countryside and in the city),
- **Leisure** (free time activities and sports).

At the end of the book, a **Map and Fact File** section (the UK, the USA, Ireland, Canada, Australia, New Zealand, South Africa, India) enhances the volume with a global view of the English-speaking world.

Features:

- 10 units made up of 6 double-page sections, 4 sections are dedicated to cultural studies and 2 sections to literature and art
- a range of activities practicing the four skills
- the student's book is accompanied by a DVD featuring the digital book, extra material in pdf, audio files and videos

Cultural Links

An exploration of the
English-speaking world

Philippa Bowen, Margherita Cumino

Cultural Links explores and discovers the English-speaking world and offers links through the British Isles across North America, India, Australia, New Zealand and more.

Cultural Links consists of 7 topics (*files*), dealing with the differences and similarities of the countries which are part of the English-speaking World.

7 Files to discover the English-speaking World

Language: how much has the English language changed? How does English manage to create and keep a common link among far-off countries and people of the world?

Identity: what does English national identity mean to English-speaking countries in an ever increasing multi-ethnic and multicultural world?

Countries and Places: geographical, socio-economical and cultural passport of English-speaking countries

Flashback: the main historical events of English-speaking countries, from the Industrial Revolution to the Great Depression to the difficult Irish Question and many more

People and Lifestyle: contemporary issues such as family and how it is changing, fashion, sport, social networking

Education: traditional and contemporary British Education, characteristics of north-American schools, school programmes like Erasmus and much more

Institutions: an overview of the English-speaking World institutions, interactions with the European Union.

Features:

- **each File consists of two parts:** **Facts and figures** deals with the topic and allows the student to learn about the topic itself. **Global view** focuses on teenage issues and challenges the students to think about themselves and the world around them
- **Word bank** for lexical practice
- each File is accompanied by **activities** on the four skills
